

5. Mitchell Lewis, born 1859 in Ft. Meade area; married Lucinda Rhoden, daughter of John and Sidney (Raulerson) Rhoden, in 1876. They had eight children and lived at Clay Hammock on Kissimmee Island. Lucinda died after 1892 and Mitchell married Mary Mims in 1896. Mary and Mitch Lewis had eight children. Mitchell died in 1917 of the Spanish Influenza near Arbuckle Lake on Kissimmee Island.
6. Artie Lewis, born 1860; married Everett Parker of Bowling Green, Fl. in 1876. They settled in the Bowling Green area and raised seven children. Everett was the son of Isaac and Matilda (Popell) Parker of Madison County, Florida. Offspring of Artie & Everett live today on the ranch that Everett built up from stock he earned working with Capt. Hendry of Manatee County fame.
7. William Richard "Dick" Lewis, born 1861; married Elizabeth Boyd of Bowling Green, Fl. in 1899. They lived at Crewsville near his sister Sarah's husband, John Collier, Jr. Dick and Elizabeth had five children.
8. Virginia Lucretia "Babe" Lewis, born 1862, the last of Isham and Lucretia's children, married Daniel W. Stokes, son of Burell and Lavicy (Altman) Stokes of Manatee County in 1885. They had eleven children and lived on Kissimmee Island just south of the lake until 1898 when Dan bought a home at Midland from Joe Guy and moved his family from the Island. After Babe died Dan moved into Frostproof and married Bertha Lovell. They had three children.

In 1890 Isham and Lucretia Lewis were living for a while in Kissimmee City with their daughter, Ann Smith but in 1895, during the big cold spell in February, Isham got sick and died. He was living at the time with the Stokes family on the south side of Kissimmee Lake. They buried him on the Brahma Island in Kissimmee Lake. It had been homesteaded by Julian Monts de Oca, Isham's grandson and later sold to U. L. "Doc" Lightsey.

In 1892 a post office name Ute was established on Kissimmee Island not far from Grape Hammock and the neighbors told of seeing Isham ride by going for the mail. He was seventy-five years old at the time of his death and had never received his Bounty Land but he did draw his eight dollar pension. After his death, his wife, Lucretia, made an application for a widow's pension. This was filed from Crewsville and signed by her son-in-law, John Collier, Jr. and Fritz Williams, probably a nephew-in-law. Lucretia received her eight dollars which was later raised to twelve before her death. She also applied for and received Bounty Land, or a warrent for the land which according to "papers" disappeared from the safe of V. P. Simmons who was handling her affairs in Midland, Florida. There isn't any record of this ever having been replaced. Lucretia died in 1908 at the home of her daughter, Babe Stokes, at Midland and was buried in Mt. Enon Cemetery nearby.

NOTE: It is believed by research by Doris Lewis in Bullock County, Ga. that James Isham Lewis is the son of James Lewis, Jr. who is the son of James Lewis, Sr. who owned land on Black Creek in the area Isham lived. More research is being done on this family and any information would be appreciated.
